This writer's observations are that this team is the best since Eddie Valladoa's 1963 team which went into the championship play-off. This may be the year of fulfillment for this Mattapoisett team. Good baseball boys - good sportsmanship and good luck.

Of particular interest to the Woman's Club members present was the news that the Truth in Lending bill strongly supported by the State Federation of Women's Clubs had received a voice vote that day in the Senate of initial approval. (Senate passed it April 28.) This bill requires full disclosure to the customer of finance costs in retail installment sales. Other bills mentioned were the birth control measure which was voted for by all Southeastern Massachusetts area legislators, price-tag legislation to curb spending without estimate of cost of a project to be voted upon; and proposed legislation involving State control of local public welfare programs. He deplored the increase in the cost of State government during the last 20 years, from $180,000,000 to $350,000,000.

This he felt would be helped by initiating the price tag legislation.

Noted in the audience were Frank A. Randall Plymouth County treasurer, who also spoke, and a member of his staff; Frederick Underhill, Jr., town auditor; Selectman Henry B. Smith, and Albert Jenney, principal of Rochester Memorial School.

The congenial Senator mingled with the guests at the reception which followed, renewing many acquaintances. Table appointments were supervised by Mmes. Irving Ellis, Ethel Gary and Mrs. Hardy. The lace covered table was centered with an arrangement of talisman roses and blue iris. Pourers at the antique silver coffee and tea urns were Mrs. Greenwood Hartley, Jr. and Mrs. Henry Smith.

Members stayed for a short business meeting following the reception. Reports were received on the recent successful antique show and sale from Mrs. George Church and Mrs. Hardy and on the plans for the annual dinner meeting from Mrs. Gary who has recently been made a director in the Third District Presidents' Club. The dinner is planned for May 12, place to be announced. For information, call Mrs. Gary.

The names of three new members interested in becoming members of the club were announced as Mrs. Peter Balzarini, Mrs. George Kirby, III, and Mrs. Charles Gifford, Jr.

The slate of officers presented by the nominating committee to be elected at the annual dinner meeting were for president, Mrs. Everett L. Hardy; Mrs. George E. Church, vice-president; Mrs. Irving Ellis, secretary; Mrs. Greenwood Hartley, Sr., treasurer; and Mrs. Greenwood Hartley, Jr., auditor.

Donations were voted for the Citizens' Scholarship Fund and the Cancer Fund. Mrs. George Church announced that a giant scholarship whist will be held as usual to benefit scholarships. Whist parties have been noted to be most successful of late.

Named to program committee for next year were Mmes. Alphonse Raymond, Ethel Gary, Margaret Benner and Everett L. Hardy. The bazaar in June will be omitted this year and instead plans are to have a smorgasbord to accomodate a larger attendance. It was unanimously voted to send Mrs. Hardy, president, to the annual State Federation Women's Club's convention in Swampscott on May 16, 17 and 18 with all expenses paid.

She hopes that some of the members will be able to attend this 74th annual meeting and enjoy the fine programs. Registrations will start at 9 A.M. on Monday and voting hours for delegates will be from 1 to 5:30 P.M. Tuesday. LIGHT BULB SALE

The Mattapoisett Lions Club will conduct an all-out drive on Sunday afternoon, May 22, to sell electric light bulbs to residents, according to an announcement made by Eugene T. Sheets, president. The money will go to the Old Rochester Citizens' Scholarship Foundation. The light bulbs will be sold in "Thank you Packs", each containing two 60 Watt, two 75 Watt and four 100 Watt bulbs at the regular price. Every householder can use light bulbs, and this drive gives everyone an opportunity to buy a good supply of a needed product and at the same time help a most worthy cause.

The entire membership of the Mattapoisett Lions Club has been organized to supply friends and neighbors with light bulbs delivered right to their homes. Clubs and organizations in other cities have had excellent results with similar bulb selling programs, and Mr. Sheets expressed his confidence in the success of this fund-raising campaign.

CAPEWAY LITTLE LEAGUE OPENS SUNDAY

Opening day ceremonies for the Capeway Little League are scheduled to begin at 2 P.M. Sunday, May 15th, with appropriate remarks by the master of ceremonies, introduction of players and coaches and introduction of town officials from the 3 towns that make up the Capeway Little League, Mattapoisett, Marion and Rochester. The town fathers from the 3 towns will be called upon to put the first ball into play after which a Round Robin exhibition baseball game will commence. The Rochester Royals will start against a Mattapoisett team and play 2 innings, after which the Marion Eagles will host a second Mattapoisett team, followed by the Marion Cubs and the 3rd Mattapoisett team for two innings. Another inning will be played starting with the last combination and finishing with the host team and their initial opponent.

The Capeway Little League's regular schedule is then to start the following Tuesday, May 17, with the Marion Eagles at home to the Mattapoisett Reds at Washburn Memorial Park; the Rochester Royals hosting the Marion Cubs, and the Mattapoisett Blues hosting the Mattapoisett Greens at Center School field. The race for the league championship will then be on. The Warren "Warpie" Doane Memorial Trophy will be the big prize with all teams attempting to pry it loose from the last year's champions, the Royals.

Many good games and much friendly rivalry are in store for the boys. The parents and fans will enjoy these games regardless of the outcome. Good luck to all the boys in the Capeway Little League. May the best team win.

TEACHERS ATTEND WORKSHOP

Three staff members of the Foreign Language Department of the Old Rochester Regional High School, namely, Yvonne German, Jean M. Berard and Cesar Albini, had participated in a workshop program designed to increase competence in the understanding and interpretation of French Civilization and Culture. The workshop was provided by the Massachusetts Department of Education, Division of Elementary and Secondary as part of a continuing program of workshops and in-service education. Regular workshop sessions were held from 3:00 to 4:30 P.M. one afternoon a week for five weeks. All of the participants availed themselves of opportunities to discuss and exchange ideas while also extending their spheres of professional association. These teachers are returning to their schools better equipped to supplement their basic teaching.

EXHIBITOR AT ART CENTER

A selection from Mrs. John MacNeil's paintings is currently displayed at Marion Art Center's Spring Exhibit featuring seven Marion artists. "As concerns my work," writes Mrs. MacNeil, "I became interested in art while my son and daughters were taking art courses in college. Also I knew Julius DeCordova who gave his estate to the town of Lincoln for a museum. While visiting the museum I remarked that I wished I could paint. Foster Nystrum, the assistant director, said they were starting a new class the next day and that he would help me. With no previous training I joined a class in oils at the age of sixty. I found I love to paint - that I keep a canvas ready, paint and brushes out, and when the spirit moves start a

I like to study shapes, color combinations and brush strokes, or guess at the techniques of known artists and then with my limited knowledge, take up the challenge and see what I can do.
